

Symposium on Nuclear Structure, Reaction, and Astrophysics
(NuSRAP2026)

Tuesday 14 July 2026

Session 7 - Workshop Room (11:05-12:25)

-Conveners: Tetsuaki Moriguchi		
time	[id] title	presenter
11:05	[19] Impacts of updated nuclear reaction rates on rp-process nucleosynthesis	NISHIMURA, Nobuya
11:25	[20] Triple-alpha reaction by an exact three-body model and its applications	KATSUMA, Masahiko
11:45	[21] Constitution of cold-catalyzed nuclear matter below saturation density	SHCHECHILIN, Nikolai
12:05	[22] Constraining the $\Lambda\Lambda$ interaction with terrestrial and astronomical data	TANIMURA, Yusuke
