

Symposium on Nuclear Structure, Reaction, and Astrophysics
(NuSRAP2026)

Wednesday 15 July 2026

Session 12 - Workshop Room (13:50-14:55)

-Conveners: Kenichi Yoshida		
time	[id] title	presenter
13:50	[33] Kohn-Sham approach with realistic spin-isospin and tensor channels to nuclear magnetic moments	NAKADA, Hitoshi
14:10	[34] Investigation of deformation in the lowest $11/2^-$ band of odd-mass $^{99-129}\text{Cd}$ isotopes	PATEL, Deepak
14:30	[35] Nucleon effective masses in dense matter and their astrophysical implications	TOGASHI, Hajime
